The Threat Landscape

Welcome

To complete this training you must successfully complete all the lessons and pass the quizzes with a score of 80% or better. After completing the lessons, the quizzes, and the course rating, you will be able to download your course completion certificate. Please allow up to 24 hours for your course completion certificate to become available.

Renewals: NSE level certifications expire after 24 months. If your NSE 1 level certification has expired, you may renew your certification by taking all the lessons in this course and passing all the quizzes. While most of the content may be similar to your prior experience in this course, there is some new content. When you view the course for renewal, each quiz will have a green check-mark, indicating that the quiz has been completed. Simply take each quiz again and the system will record your activity and renew your certification when you pass.

Need Help?

If you have any questions about our courses and certification program, please refer to the [Network Security Expert \(NSE\) Program](#) site. This site includes access to our **FAQ** and **NSE Guide**.

If you have any questions about your registration, or difficulty accessing the course, please contact your regional training team:

- Americas: training@fortinet.com
- Asia, Pacific, India: apactraining@fortinet.com
- Europe, Middle East, Africa: emeatraining@fortinet.com

We recommend using Chrome as your browser for viewing this course.
